Imagine the Possibilities!

It’s not just Keystone, it’s RCP-Keystone!
Keystone Country Manor® offers the appearance and craftsmanship of hand laid stone with the advantages of segmental wall construction and design. This product allows for use as retaining walls, freestanding border walls, planters, stairs or impressive entrance monuments.

**Large Unit**
- 6”h x 10”d x 16/14”w
- 57 lbs.

**Medium Unit**
- 6”h x 10”d x 12/10”w
- 40 lbs.

**Small Unit**
- 6”h x 10”d x 6/4”w
- 20 lbs.

**Tumbled Country Wall Cap**
- 3”h x 12”d x 14/8”w
- 28 lbs

**Fiberglass Pins**
(2 pins required per unit)

Notes: Each pallet = approx. 25 sq.ft. • Sold in full pallet quantities only
Keystone Country Manor will transform landscaping ideas into beautiful realities. From practical and conventional retaining wall needs to more inspired design plans, Keystone Country Manor is sure to blend seamlessly with the natural surroundings. Rugged yet blended with color and character, these multi-sized units appear as natural stone that has weathered over time... Old World Charm.
Large Unit
8"d x 12"d x 18"w
85 lbs.

Medium Unit
8"h x 12"d x 11"w
54 lbs.

Small Unit
8"h x 12"d x 7"w
37 lbs.

Corner Unit
8"h x 12"d x 16"w
78 lbs.

Tumbled Country Wall Cap
3"h x 12"d x 14/8"w
28 lbs

Fiberglass Pins
(2 pins required per unit)

Notes: Each pallet = approx. 32 sq. ft. • Sold in full pallet quantities only.

Designed specifically for taller wall structures and heavy loading conditions, Keystone Century Wall® blends the distinctive look and character of natural stone with structural integrity that lets you build with confidence.
The Keystone Compac II Unit features an open core design and high strength pin connection system. Its lighter weight and shorter tail design make it easy to handle for installers and a perfect choice for projects that do not require the deep embedment length of the Keystone Standard II Unit.

8”h x 12”d x 18”w
80 lbs.

Fiberglass Pins
(2 pins required per unit)

Note: 1 unit per square foot
The Keystone Standard I & II Units are an American original. What started the industry is still the industry leader. The height-to-depth ratio delivers a structurally sound, engineered wall system with superior construction stability, durability, and strength.

**Standard I Unit**
8"h x 21-1/2"d x 18"w
105 lbs.

**Standard II Unit**
8"h x 18"d x 18"w
100 lbs.

**Fiberglass Pins**
(2 pins required per unit)

Note: 1 unit per square foot
The Keystone Standard Planter Unit combines the industry-leading Keystone Standard Unit with an innovative planting system that can produce a lush blanket of irrigated vegetation. Featuring a unique planting cavity, the Planter Unit is the exact size of the Standard Unit, naturally integrating into Keystone Standard Unit walls. This unique product also allows for placement of irrigation systems and provides the natural drainage that encourages plant root growth and allows the wall structure to spring to life.

Standard Planter I
8"h x 21-1/2"d x 18"w
96 lbs.

Standard Planter II
8"h x 18"d x 18"w
100 lbs.

Fiberglass Pins
(2 pins required per unit)

Note: 1 unit per square foot
CALIFORNIA CHATEAU

RCP’s California Chateau units are made of high-strength, low absorption concrete, with a unique chiseled stone face. The right and left false score creates the appearance of a multi-piece system.

Whole Unit
8”h x 12”d x 18”w
80 lbs.

Left Score
8”h x 12”d x 18”w
80 lbs.

Right Score
8”h x 12”d x 18”w
80 lbs.

Notes: 1 unit per square foot • Minimum order required. Contact your local RCP sales representative for information.
Unique, Beveled Face

Keystone Victorian Stone™ provides proven performance coupled with the unique beveled face appearance. From backyard landscaping applications to larger reinforced structures, Keystone Victorian Stone is ideally suited for any application. Its design capabilities include several types of geometric shapes and contours, and is not limited to linear walls.

18”h x 18”d x 18”w
100 lbs.

This face style is also available with the Compac II and Standard II.

Notes: 1 unit per square foot • Minimum order required. Contact your local RCP sales representative for information.
KEYSTONE®
CAPPING UNITS

A Keystone Retaining Wall is not complete without the “capping touch.” Caps are available in 3”, 4” and 8” high units with choices of face styles, textures and the option of angled or straight sides.

4” Capping Units
(angled or straight-sided)
4”h x 10.5”d x 18”w
40 lbs.
2 units per square foot

8” Capping Units
(angled or straight-sided)
8”h x 10.5”d x 18”w
85 lbs.
1 unit per square foot

Tumbled Country Wall Cap
3”h x 12”d x 14/8”w
28 lbs
1.11 units per lineal foot

California Cap Stones
(tumbled or hard split)
3”h x 10”d x 9/7”w
15 lbs
1.5 units per lineal foot
