RE: Veranda Heights – San Bernardino CA

Dear Matthew:

This letter is to express Beazer's appreciation for the professionalism and attention your team provided on the Geogrid retaining wall system at our residential community Veranda Heights in San Bernardino, CA.

Our project schedule and budget were dependent upon the value engineering feedback you provided. Your timely responses and expedited service promoted our project success. I most appreciated your helpful enthusiasm to guide my abundance of questions and requests. Your excellence to customer service is recognized and valued by the Beazer team.

We look forward to collaborating with your company on future projects.

Sincerely,
