MEMORANDUM

I would like to say working with Geo-Grid has been a great experience. Working with Roel has been great and all his team members. The team on my site has been professional, polite, friendly, clean and show excellent company pride. Roel and his team follow safety guidelines to perfection. They are the hardest workers and pay close attention to detail. I wish all subcontractors had the same work ethics as they do. Hopefully we can work together soon on the next project. Many Thank to Roel and his Crew!! My walls look excellent!! Way to kick ass guys!!!!

Thank you,

Steve Hodge
