Dear Mr. Stevenson:

I would like to commend you on a job well done! The coordination between our two companies has been unsurpassed and I would like to thank you for your efforts.

As owner of the company, it is a pleasure to recognize talent and single that individual out for special recognition. In this instance, your Foreman, Ignacio Juarez is the individual whose outstanding performance and hard work certainly deserves acknowledgment. His dedication, leadership and professionalism make him invaluable as an employee. His knowledge of his trade and the teamwork he inspires is what makes completing the project on time and within budget possible. **Good job to Ignacio Juarez!**

We certainly look forward to working together again in the future!

Sincerely,  
SIERRA PACIFIC WEST, INC.
