Dear Mr. Stevenson:

On behalf of the Board of Directors, staff, and most importantly, the youth members of the Boys & Girls Club of San Marcos, I would like to express our sincere thanks for your recent donation of computers.

We cannot thank you enough for your generosity. Because of concerned individuals such as you, we are able to provide hundreds of youth each year with a safe, supervised program that helps them to stay out of trouble and learn positive habits and values. We are continuing to grow and we are constantly searching for methods to expand our services. Your generous gift assists us in this effort.

Thank you for caring about kids.

Sincerely Yours,

Don C. Hall
President & CEO
