REFERENCE: Torrey View Corporate Center – Geogrid work

Dear Louis:

Please accept our sincere thanks and appreciation for the hard work performed by your team on the Torrey View Corporate Center. Ed McCaffrey and Dan Clanton provided excellent quality work, efficient and professional service during the geogrid phase of the project. Their services were performed safely, and in accordance with our project schedule, which allowed our extremely tight site to maintain ongoing operations for other trades. Geogrid is definitely a team player as is testimony in the work provided by your personnel. Thank you again for your efforts, and I look forward to working with your firm on future projects.
